2014 / 2015

TRANSFORMATIONCMH

CAMBRIDGE
MEMORIAL
HOSPITAL
Foundation

We are delighted to thank everyone

who supported the Cambridge Memorial Hospital Foundation this past year. Last year we received nearly \$4 million from community donors!

Throughout this report we will share with you some of the much needed pieces of equipment we were able to purchase this year thanks to your continued support and generosity.

We have had a busy year, filled with generous gifts, phenomenal events and exciting new partnerships. We have shared many wonderful announcements this year pertaining to the expansion project at our hospital, including our groundbreaking ceremony, and we are very excited to see the progress being made daily on the new patient tower.

As we look back on our success from last year, we cannot help but feel hopeful for the year ahead. Exciting changes are taking place here at the hospital. Construction for the new patient tower is going full speed ahead, and we're sure you have noticed the great big crane outside of the hospital on your journeys around town. We are pleased to include further details within these pages.

We are looking forward to another wonderful year and we hope we will have the opportunity to see you at some of our exciting events!

Thank you for your commitment to Cambridge Memorial Hospital and for your continued support.

With sincere thanks,

On Monday, September 15, 2014, Cambridge Memorial Hospital embarked upon a journey that will completely transform the way you access healthcare at CMH. Dr. Eric Hoskins, Minister of Health and Long Term Care, joined us to break ground on the new 250,000 square foot patient tower.

Six Benefits to our Community:

1

Emergency Department

The Emergency Department will double in size. Currently, there are more than 56,000 patient visits per year in a department built for 34,000 visits.

2

Schedule 1 Mental Health Program

This program should be operating at 25 beds; however, the hospital currently does not have the space to accommodate this. The Mental Health program will expand to 25 beds from its current 20 beds once the new tower is built and renovations are complete.

3

Intensive Care Unit

This unit's expansion is necessary to meet the needs of our growing community and will expand from 7 to 12 ICU beds.

4

Birthing Unit

This birthing unit is the only clinical program operating in the older, 1950's era part (A Wing) of the hospital. The new birthing unit will move to the main level next to operating rooms in the new tower's Surgical Centre to further minimize risk to mother and baby, especially with C-sections.

5

Operating Rooms

The hospital not only needs more operating rooms (ORs), it needs larger ORs to accommodate the advanced equipment used in today's surgeries such as minimally invasive surgeries.

6

Inpatient Rooms

While current inpatient rooms are safe, they do not meet the latest hospital building codes and infection control standards. By making them larger and mostly single occupancy, the new inpatient rooms will further decrease risks to patients as they will meet the toughest infection control standards and accessibility requirements. CMH is expanding from 143 to 197 inpatient beds. Almost 80% of them will be single occupancy.

TD BANK GROUP SUPPORTING OUR NEW HOSPITAL AND NURSING STAFF

April 23rd was a stupendous day. That's when local representatives of TD Bank Group announced their \$375,000 gift to support the hospital's redevelopment project as well as the continuing education of CMH's dedicated nurses.

"This gift is a triple win with support for the hospital's redevelopment and CMH's nursing professionals, as well as the entire community who will reap the benefits of improved care and facilities through TD's generous gift," said Jennifer White, CMH Foundation Executive Director, at the announcement attended by community friends and supporters.

Scott Galbraith of TD Bank Group noted the importance of supporting both the facility and staff. **"Healthcare workers are a vital part of the hospital and it is important that they are equipped with the right resources and training to be able to provide the best care possible for their patients. TD is committed to the health of our communities and we are proud to support the Cambridge Memorial Hospital and Foundation."**

(L to R) **Patrick Gaskin**, CMH President & CEO; **Ken Zelazny**, CMHF Board Chair; **Scott Galbraith**, Regional Director of Commercial Banking, TD Bank Group; **Jennifer White**, CMH Foundation Executive Director; **Christopher Sajeki**, Relationship Manager, TD Commercial Banking

DID YOU KNOW...

CMH is a teaching site for general surgery, orthopaedic surgery and anesthesia and accommodates the regional education leaders (REL) associated with these programs as well as for obstetrics and gynecology.

This is the largest donation from a financial institution ever made to Cambridge Memorial Hospital and the Cambridge Memorial Hospital Foundation. To reflect TD's investment in staff education and the new hospital, the Medical Education Campus within the new Patient Tower currently under construction will be named in their honour. As a medical training site of the Waterloo-Wellington Regional Medical Education Campus, CMH is a teaching site for the McMaster University De Groot School of Medicine.

This significant gift has pushed the TransformationCMH Campaign to 74% of our \$50 million fundraising goal to expand the hospital. **Thank you, TD!**

NETWORK SEWER AND WATERMAIN GIVES BACK TO CMH

Walking into Network Sewer and Watermain Ltd., you feel that family values run deep in this family operated business. "It's true," says owner Don Medeiros, "our family started this business in 1989 and every employee is viewed as family, too." Gabriela Medeiros adds, "And like family, we take care of each other. This was our philosophy behind our gift to Cambridge Memorial Hospital. The hospital tends to our family and entire community with the best care possible, and they treat you like family when you are there. This is family supporting family and we want them to be well and able to care for us."

Generously, Network Sewer and Watermain Ltd. have pledged \$50,000 toward **TransformationCMH** - the hospital's expansion and redevelopment campaign - and will be recognized as a Caring Family on an exclusive donor wall. Gabriela explains "When we needed the hospital, they were there for us, going the extra mile. The doctors and staff were so kind, caring and knowledgeable and that is a great comfort when a family is facing a health crisis. Now we want to pay it forward to make sure CMH's expansion serves all families in this area."

Don Medeiros (centre, in navy) is joined by his many friends at the Network Sewer and Watermain sponsored hole at CMH's annual golf tournament.

Network Sewer and Watermain also supports Foundation events such as the gala, golf tournament and other community based efforts. "We need businesses, families and individuals to understand that the hospital needs us to step up and keep our community's healthcare strong. We're proud to do our part. It's a great feeling!" states a smiling Don.

For more information about becoming a **CaringBusiness** or **CaringFamily** donor to **TransformationCMH**, please contact the Foundation office at (519) 740-4966.

GRUPO DAS AMIGAS COMES THROUGH AGAIN!

Thank you to the Grupo das Amigas for their amazing donation of over \$20,000! Their annual fundraising dinner celebrating "Friendship Day" included over 500 women at an event held on Saturday, February 7th at the Portuguese Club of Cambridge. This year's funds will be used to support a Surgical Microscope for Breast Reconstruction at CMH. Thank you to the many sponsors, guests and supporters of this annual fundraiser!

5th ANNUAL DeZURIK WALK FOR CANCER

Saturday, June 7th was the 5th Annual DeZURIK Walk for Cancer, and over \$15,000 was raised for CMH's Breast Reconstruction equipment needs. It was a beautiful day with record attendance - so many families out for the day, walking, running or biking together. We are so grateful for all their hard work and enthusiasm!!

TREES OF CARING

This year's record setting Trees of Caring campaign raised in excess of \$225,000 for much needed medical equipment and this year we received an astonishing 1,970 donations from this wonderful community!! Many caring businesses from Cambridge chose to support our Trees of Caring campaign by purchasing one of the Banners that proudly hang along Coronation Blvd. This is a wonderful opportunity for brand awareness. The local banks showed their support to Trees of Caring by having our Angels of Caring available for purchase.

Again this year, our Star Sponsors gave generously to help the Foundation surpass its goal. For many years the Ladies Auxiliary of the Royal Canadian Legion Branch 272 have sponsored our Bronze star, and we cannot thank them enough for their unending support of the CMH Foundation. Both the Silver Star and the Gold Star were sponsored by two very generous donors who wish to remain anonymous. Thank you to all of our Star Sponsors and all who continue to support, our Trees of Caring.

ORGANIZATION TERRA DOS BRAVOS

Organization Terra dos Bravos hosted their 4th Annual Jantar Anual Para Caridade (Fundraiser Dinner) at the Oriental Sports Bar on Saturday, November 15th. It was a great night with over 400 people in attendance supporting the Cambridge Memorial Hospital, and KidsAbility.

Recently the group donated an infant scale for the pediatric department here at Cambridge Memorial Hospital.

THANKYOU

With the community's **support** we have made tremendous progress in our fundraising for the **TransformationCMH** campaign, having raised over \$37 million towards our \$50 million goal. However, we still need your help raising the remainder for this exciting project.

Once the new patient tower is built, residents of Cambridge, North Dumfries and the Region of Waterloo will have access to exceptional healthcare services in the most modern hospital within the region.

Thank you for your continued generosity and support of our hospital's vision "exceptional healthcare by exceptional people".

EVERY GIFT COUNTS AND MOVES US CLOSER TO OUR \$50 MILLION FUNDRAISING GOAL!

WAYS YOU CAN HELP

Make a donation

Gifts of cash and securities have an instant impact. Contact the friendly staff at the CMH Foundation to discuss your giving options.

Attend fundraising events

or throw one of your own.

Consider giving tribute gifts

for special occasions and to remember your loved one with a gift of caring.

Encourage your friends and family to do the same!
