Did you know that community dollars fund 100% of the equipment in our hospital?

Cambridge Memorial Hospital (CMH) is a thriving, full service, acute care hospital and major employer in the City of Cambridge.

Your Hospital... Your Foundation.

The purpose of Cambridge Memorial Hospital Foundation (CMHF) is to raise awareness and funds in support of Cambridge Memorial Hospital (CMH) equipment and capital projects. Priority funding needs are determined through the hospital's budgeting process. All donations to the hospital flow through CMHF.

How does the Foundation benefit you?

Gifts to CMHF purchase the most up-to-date equipment and technology, providing employees and volunteers with the equipment they need to support patient care. Community donations ensure that hospital services are here for all of us.

What you do matters.

We know that patients who are grateful for the care they or their family receive, often become our most generous donors. Grateful patients are a direct result of the important work you do. Through the time you spend with patients and the things you do everyday, you create champions for our hospital.

Our current \$50 Million campaign is WeCareCMH and our generous community has raised over \$46 million for medical equipment and capital. With approximately \$3.9 million left to raise, we invite you to help us achieve our goal. Big or small, every gift matters.

**Exceptional healthcare by exceptional people.
Thank you for being part of this vision.**
