

# CaringFAMILIES

**Join a distinguished group of Caring Families by investing \$100,000 to the WeCareCMH Campaign.**

In return, you will be distinctively recognized to the thousands of families in our community who visit the Emergency Waiting Area each year.

Once our new facilities open, you will be treated at the most medically advanced hospital in Waterloo Region. You will experience shorter wait times due to an increased number of beds and a larger Emergency department. You will benefit from shorter stays and fewer return visits because of our improved ability to control the spread of infection. You will also notice the addition of new medical staff who have been attracted to CMH to train and practice at our brand new facility, using the latest technology.

## Special Recognition for our CaringFAMILIES
