

Community dollars fund
100% of the equipment
in our hospital.

Lisa Short, Executive Director, Cambridge Memorial Hospital Foundation
and Patrick Gaskin, President and CEO, Cambridge Memorial Hospital

YOU MADE IT HAPPEN!

Thanks to your loyal support, the new wing of Cambridge Memorial Hospital (CMH) is now open and serving our community.

This report provides a glimpse of how your generosity contributes to the amazing care that goes on in our hospital each and every day.

We know that behind every number there are patients, a healthcare team, support staff, volunteers and you, our donors — who make exceptional care possible.

As you read about CMH achievements, I hope you'll be inspired to continue to invest in your hospital.

Thank you!
