Show your support of CMH! Together, we make it possible.

Join other CMH Champions by placing this sign in your window in October.

Who is a CMH Champion? You!

A CMH Champion supports our hospital by:

Valuing access to quality health care, and advocating for local services for your loved ones.

Believing that great health care plays an integral role in a caring and connected community.

Trusting and celebrating the talented individuals providing care and services at CMH.

CMH Champions also donate (\$ and in-kind items), attend CMHF events, work at CMH, or volunteer. We are grateful to all our champions.

Throughout October, our month of gratitude, we will post about all that our community is grateful for at CMH:
