

# Donor Impact Report 2022

## As a donor, you made my care at Cambridge Memorial Hospital possible.

When a tumor in my left kidney was discovered at Cambridge Memorial Hospital (CMH) through a CT scan and MRI, surgery was scheduled to remove my kidney.

Although I'm doing most of the things I used to do before my surgery, life now will include annual follow-up at CMH for blood work, chest X-rays and CT scans.

My wife Shirley and I have lived through many health struggles and we still feel very fortunate. My diagnosis and surgery were only possible because of the equipment and excellent care that was available at CMH. Even the staff that kept my room clean and fresh were important to my recovery.

Thank you, for making all of this possible for me.

Bill Fournier  
Grateful Patient

## Vital Stats (2020-2021)

4,302  
Donors

19,609  
Gifts

1,437  
Employees  
248 Physicians  
17 Midwives

425  
Volunteers

**Donors like you fund 100% of  
the equipment in our hospital.**

# Patients and community members share the impact of CMH's Caring Programs.

## SURGICAL PROGRAM

11,358

Day and Inpatient  
Surgeries

**In between follow-up visits  
to CMH for annual testing,  
we will live life.**
