**A unique spin on our long standing tournament, the CMH Golf Classic is an exclusive event in support of Cambridge Memorial Hospital.**

We invite you to join us for a fun day out on the course. Funds raised at this tournament will support priority equipment needs at CMH.

A perfect opportunity to engage your clients and network while supporting your local Hospital. This tournament appeals to golfers with some experience on the course but is lighthearted enough to welcome those with aspirations to improve their game.

This event will include professional individuals that are community-minded and interested in connecting with their peers. Join us and help celebrate the very best in healthcare for our community.
