The graphic is split into two main sections. The left section has a green background with a sunburst pattern. At the top left is a circular logo with 'CMH GOLF' at the top and 'CLASSIC' at the bottom, surrounding a green golf course with a flag. Below the logo, the text 'Starts here!' is written in a large, white, cursive font. At the bottom left is a white golf cart. A golf ball is shown in mid-air, moving from the left towards the right section. The right section has a light beige background. It contains the text 'June 1', 'Galt Country Club', and '11:00 AM onwards' in a green, sans-serif font. Below this is a paragraph: 'Join us for a day on the greens as you help bring essential equipment to CMH.' At the bottom of the right section is a green rectangular button with the text 'Sponsorships and tickets now live!' in white.

MDRD receives a boost for safer, cleaner care!

Good things come in threes! CMH's Medical Device Reprocessing Department (MDRD) has added a third washer to their department, giving the hospital a big boost to patient care behind the scenes.

This equipment helps clean and prepare the surgical instruments and medical devices used every day across the hospital. With added capacity, the team can reduce any delays and ensure operating rooms are always ready for patients.

It's a behind-the-scenes upgrade that will make a real difference in patient care at CMH for our community.

Celebrating Earth Day at CMH

April 22 was Earth Day, and CMH celebrated our environment by hosting a Spring Cleanup. Staff and volunteers came together to clean areas around the hospital, caring for the outdoor spaces we all share.

This event was a great reminder that supporting health goes beyond our hospital doors, and caring for our environment is part of caring for our community.

**Your support
moves mountains.**
